

I'm Not So Good With Words
by Brit

I'm not so good with words, you know
I can't speak what's in my heart
But I need to say what you've meant to me
though I don't know how to start

I'm not so good with words, you see
I stumble over what to say
But I want to show you how I feel
forgive me if I can't find a way

I'm not so good with words, I know
But there's so much I feel inside
when I think of the difference you've made in my life
and how you've taught my heart to fly

I'm not so good with words, but still
see the difference you've made in me
Since I can't find the words to say it all
I'll just say "me and thee"
