

*Massive Damage*  
*by Brit*

“Massive Damage” he said  
signed our lives away in blood  
Put a price on our heads  
with a rage like a flood

“Massive Damage” he said  
and was damned you still breathed  
He didn’t know of your strength  
or the bond of me and thee

“Massive Damage” I say  
a toast, a new day  
Massive Damage is what’s inflicted  
to any in our way
