

*Rosie's Song*  
*From I Love You Rosie Malone*  
*by Brit*

*She ran in to my life unbidden  
Shy doe shining in the sun  
Grace concealing a fragile heart  
And a love unawakened and won*

*She ran in to my life unquestioningly  
And surrounded my wounded soul  
Gentleness revealing a love for me  
And a promise to make me whole*

*She ran from my life unerringly  
By bond and heritage and pain  
Fleeting hart, dappled by sun  
Never to loved again*
